

Locate the nearest card reader terminal (all terminals serve all fuelling locations).

### AT THE CARD READER:

- Select language.
- Lift door.
- Insert and quickly remove the card, with the magnetic stripe to the right, on the upper half of the card.
- Follow the on-screen instructions, using the keypad to enter information.
- See the list below for a summary of prompts.

### NOTES:

- Press ENTER to bypass optional prompts that have not been set up for your account.
- You can access any pump from any card reader.
- Press HELP for on-screen information, or contact the Esso™ Key to the Highway customer service team at **1-800-264-9495** or **imperial@efsllc.com** if you have any questions.

<b>ENTER TRAILER # &gt; PRESS ENTER</b>	
<b>ENTER CDL # &gt; PRESS ENTER</b>	
PROCEED TO HOSE # "----" YOUR LIMIT IS "----"	
<b>TO OBTAIN RECEIPT</b> REINSERT CARD AFTER FUELING	

### AT THE CARD READER:

- Insert your Esso™ Key to the Highway card at card reader at the fueling location.
- Follow the prompts (see below for differences in order/question type versus the traditional fueling sequence).

### NOTES:

- Many of these locations have numeric keypads at the pump that do not include unique keys for each letter of the alphabet. At locations with a numeric key pad, you must press the number keys multiple times to enter alpha characters. For example: press "5" twice for "K", similar to entering letters on a traditional touchtone phone.
- Press HELP for on-screen information, or contact the Esso Key to the Highway customer service team at **1-800-264-9495** or **imperial@efsllc.com** if you have any questions.
